Dr. J Enterprises, LLC is a consulting firm located in Iowa Colony, Texas. We are strategically positioned to deliver agile solutions to federal and state government entities, as well as commercial private sector clients. Our company works in the core areas of organizational / business development, executive coaching, healthcare, educational support services, and logistics. As a minority and service disabled veteran-owned small business, we work with all of our partners to deliver excellence.

Please reach out for more information on our services or federal contracting abilities.
